

NSFAS Grant funding students with debt from 2024 should:

1. Sign their DH ET Acknowledgement of Debt (AOD) for the shortfall in approved study costs.
2. The DHET AOD has been sent to students. Once the form is received the fee block will be lifted, provided it covers the outstanding fees.
3. Note that the block will be lifted once the form is received, provided it covers the outstanding fees.
- 3.7 Note that appeals for charges not related to academic activities will not be considered.
- 3.2 Note that they may register with debt under R10 000.

SADC and international students' undergraduate financial assistance

1. UCT is not able to provide relief for international students, including Southern African Development Community (SADC) students.
2. Constraints on its own resources restrictions imposed by funders, which often stipulate that only South Africans or students with SA permanent residency may be assisted with funding.
