## EAR TO THE GROUND: THE IRTC's NOTE OF THANKS TO THE UCT COMMUNITY

The Institutional Reconciliation & Transformation Commission (IRTC) is appreciative of the UCT community, in arranging the recent IRTC assembly and road show held across the university faculties and departments this past week.

The IRTC was able to engage with all faculties except Hiddingh campus. The commissioners also met with various departments as well as student movement/ SRC leaders and the leadership lekgotla.

The commissioners found the week extremely useful and moving. The meetings and assembly contributed immensely towards the work of the IRTC.

Although student participation and attendance was lower than expected, the IRTC wishes to thank all those who made the time to attend the assembly and road show, your voices have been heard.

The IRTC encourages written submissions to be made and has extended the deadline to August 31st.
