## UCT events and interview opportunities for this week

- **Professor Mike Lambert** to speak about “The Science of Exercise Performance – Translation into Practice: Novo prospectus”.
- **Professor Lillian Artz** argues that science and advocacy need not be mutually exclusive: There are many examples of how scientific evidence has supported policy development, and contributes to transformation and social change.

Date	Event	Highlights/Speakers	Contact
28 Aug	<p><b>Inaugural Lecture:</b>            “The Science of Exercise Performance – Translation into Practice: Novo prospectus”</p> <p>Time: 17h30</p> <p>Venue: Student Learning Centre Lecture Theatre, Anatomy Building, Faculty of Health Sciences, Mowbray</p>	<p><b>Professor Mike Lambert</b>, a professor in the Medical Research Council/UCT Research Unit for Exercise Science and Sports Medicine, will deliver his inaugural lecture. He is based at UCT’s Department of Human Biology, Sports Science Institute.</p> <p>Professor Lambert is the editor of the <i>South African Journal of Sports Medicine</i> and has published some 170 papers in peer-reviewed journals.</p>	<p><b>Riana Geldenhuys</b>            Tel: 021 650 4846            Cell: 082 460 5554</p> <p><a href="mailto:riana.geldenhuys@uct.ac.za">riana.geldenhuys@uct.ac.za</a></p>
	<p><b>Science and advocacy</b></p> <p>Professor Lillian Artz is available for interviews on this matter, as well as gender-based violence and women in prisons.</p>	<p><b>Professor Lillian Artz</b> is the director of the Gender, Health &amp; Justice Research Unit in the faculty of health sciences at UCT.</p> <p>Most argue that “science” and “advocacy” are two terms not often associated with each other. Professor Artz says the two need not be mutually exclusive. There are many examples of how scientific evidence has supported policy</p>	<p><b>Riana Geldenhuys</b>            Tel: 021 650 4846            Cell: 082 460 5554</p> <p><a href="mailto:riana.geldenhuys@uct.ac.za">riana.geldenhuys@uct.ac.za</a></p>

		development, and contributes to transformation and social change.
