SA music idol Jimmy Nevis graduates from UCT

South African musician Matthew Peter le Roux, better known as Jimmy Nevis to his fans, graduated from the University of Cape Town with a Bachelor of Social Science degree on Tuesday, 16 December 2014.

Le Roux said: "Graduating from UCT is something that I've always strived for. It's been a long journey but I am thrilled and over the moon to be moving on to the next phase of my life. My time at UCT also served as inspiration for content and lyrics."

He added: "I have had so many ups and downs here and a lot of my sophomore album, *The Masses*, was inspired and influenced by my sociology studies. With this degree, I am honoured to represent my community and be an inspiration to my fans. May we never limit ourselves."
