UCT congratulates De Villiers on new appointment Health Sciences Dean appointed Rector of Stellenbosch University

The University of Cape Town congratulates Professor Wim de Villiers on his appointment as the Rector of Stellenbosch University.

UCT Vice-Chancellor Dr Max Price says: "We are of course very sad to lose Professor De Villiers, who took over the Deanship of UCT's most complex faculty, Health Sciences, in July 2013. In that short time he has been enormously effective as a leader, and his skill became evident to our neighbor in Stellenbosch. We trust that his appointment will help to strengthen the relationship among Western Cape universities. I extend my personal congratulations to him as well as those of the UCT community."
