Invite: Symposium on inclusive low-carbon sustainable transport system

3 March 2020 | 08:30 – 15:00 | Sheraton Hotel, Pretoria

The Energy Systems Research group at the University of Cape Town (UCT) and the national Department of Transport will host a symposium on how South Africa can be set on a pathway to an inclusive low-carbon sustainable transport system.

This symposium will consider work done by UCT's Energy Systems Research Group, and their international partners, under the Climate Transparency programme on transport greenhouse gas emissions mitigation pathways, as well as the implementation of government's Green Transport Strategy.

Queries and RSVP to: bryce.mccall@uct.ac.za. Please RSVP by 28 February 2020.
