Dear Professor M Phakeng

Re: Condolences on the death of Professor Bongani Mayosi

I am deeply saddened by the death of Prof Bongani Mayosi. His death is not only a deep loss to his dear family but also to the academic community throughout the country and indeed internationally.

May the university community of which he was a part of take comfort by his legacy and contribution to the field of medical science and so too the improvement of the lives of millions of South Africans.

My deepest condolences goes out to all of the University staff and the student body.

Yours sincerely

Vincent Saldanha J
