Student Entrepreneurship Week

Are you a student with an amazing business idea? Do you want to be your own boss or create opportunities for others? Fine-tune your entrepreneurial mindset during Student Entrepreneurship Week 2019! Attend the entrepreneurship-focused speaker series, network within the Social Impact space and sell your products and services at the Entrepreneurship Marketplace. Take part in the d-school Boot Camp, a tailor-made course on how Design Thinking can support your entrepreneurial journey.
